Under 17 Female Beach Relay

The All-Age Relay will consist of 2 members from the U11, U12, U13, U14 and U15 age groups. Any gender mix is permitted. Members must be competing in their own age group and cannot age up in this event. The only exception to this rule is if a club has no members competing in the carnival in a particular age group, then they will be permitted to age up athletes in that age group only. For example, if a club has no U13 athletes entered in the carnival they may use U12 athletes to fill their U13 places in the relay.

NB: Dependent upon entries there may be a need to shorten up qualifying numbers from heats to finals to ensure that the full day's program is completed.

The host Club will provide First Aid for each Round.

The operator must supply an operation manual (including risk management plan), provide a copy of public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements. SLSQ may utilise the use of our own drones to conduct aerial surveillance and monitor hazards.

Photographers within the carnival area must have a visible photographer's pass as well as their BlueCard.

HEALTH & WELLBEING

The welfare of all competitors and officials is our paramount importance and athletes or their Parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSQ may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLSQ will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

ANTI-DOPING & MATCH FIXING

SLSQ affiliated with SLISA supports the Australian Government, Sport Australia, the Australian Olympic Committee, and Sport Integrity Australia in their efforts to eradicate the use of drugs in sport.

It is strongly recommended that all Coaches and Team Managers complete the Sport Integrity Australia Level 1 Anti-Doping Course and Matching Fixing Course. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Link to the online platform below.
