## 4. COVID-SAFE

Surf Life Saving Queensland have put together some plans around how we can safely hold the 2022 Pool Rescue season.

Above all else we ask that members follow safe hygiene practices and maintain 1.5m between people where possible.

### Hand Sanitiser

SLSQ will provide hand sanitiser at all access points to the carnival area & club tent area. Competitors, officials, staff and support personnel will be expected to use this hand sanitiser.

### Recommendations

SLSQ highly recommend that anyone attending an event are fully vaccinated.

## 5. DRAFT TIMETABLE

The below timetable is only a draft and is subject to chance. The Program of Events will go out with the Final Circular.

8.30am: Competitors Warm Up  
8.30am: Team Managers Meeting  
9.00am: First event

## 6. OFFICIALS DRESS

It is imperative that the appearance of competition officials/judges is of a high standard, therefore appointed officials are asked to give a high degree of attention to their quality of uniform.

It is preferred that all officials wear the generic white and blue officials' shirt.

## 7. HEALTH & WELLBEING

The welfare of all competitors and officials is of paramount importance and athletes or their parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSQ may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLSQ will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

## **8. BEHAVIOUR/MISCONDUCT**

Any misconduct while at the event will not be tolerated. This includes the days leading into the competition and any official social activities following the conclusion of the event. Offending members risk disciplinary action against both themselves and their Clubs.

Please refer to the current Surf Sports Manual sections *2.27 SLSA Code of Behavior* and *2.28 Abuse/Inappropriate Behavior* and the *Policy 6.5 Member Protection Policy* (available online at the Members Portal).
