AUSTRALIAN IRB & INTERSTATE CHAMPIONSHIPS: 20-23rd July 2023

The Australian IRB & Interstate Championships 2023 is a competition matching the best representative Inflatable Rescue Boat (IRB) teams from Australia's Surf Clubs, States and Territories.

This actioned packed event will showcase the expertise of each Club in the use of IRBs, Surf Life Saving Australia's frontline of rescue methods. Club teams will battle it out in the open ocean for the Harry Brown OAM Trophy for the Australian IRB Championship point score. The best crews from each State will also compete for the SLSA Interstate IRB Championship Trophy and contribute points to the Alan B Whelpton AO Perpetual Shield (for the overall Interstate point score of Ocean, Pool, Surf Boat and IRB Interstate Championships).

SAFETY

All Clubs, States & Territories, Competitors and Officials are referred to the introduction of the 37th edition of the SLSA Surf Sports Manual. Paragraph (d) states: -

"Surf lifesaving can be inherently dangerous. Serious accidents can and often do happen which may result in property damage, physical injury and even death. All members are assumed to have voluntarily read and understood this warning and accept and assume the inherent risks in surf lifesaving."

All Clubs, States & Territories, Competitors and Officials are also referred to the General Rules contained in the SLSA IRB Competition Rules Section 3.3 and in particular to the warning contained in SSM Section 3.3.2.1 that states:

"WARNING: *IRB competition can be inherently dangerous. IRB competition participants acknowledge that they are exposed to certain risks during IRB competition including but not limited to leg, spinal and neck injuries, physical exertion, contact with the IRB, temperature, weather and water conditions and even drowning. IRB competition participants acknowledge that accidents can and often do happen which may result in IRB competition participants being injured or even killed. All members through their participation in IRB events agree with, acknowledge and understand this warning and accept and assume the inherent risks in IRB competition."*

An Australian & Interstate IRB Championships 2023 Safety Operations Manual, including a Competition Contingency Plan has been developed for use by the IRBCCC, Officials and relevant personnel. The Championship Referee and SEMC will give a Safety Briefing to Officials and Team Managers before commencement of competition and during the event as required.

Water safety as part of the competition, is ultimately the responsibility of the IRBCCC. In accordance with Section 1 - Competition Safety, of the current edition of the SLSA Surf Sports Manual, any subsequent amending bulletins, and this circular, the IRBCCC is responsible to determine whether to postpone or cancel any or all events or relocate the Championships to an alternate venue based on the advice of the SEMC, Championship Referee and Officials.

In response to ongoing reviews of carnival safety measures, additional Risk Assessors have been appointed to assist the SEMC to provide ongoing assessment of conditions and safety across the carnival area. They will create an effective communications channel to the SEMC and IRBCCC. Those Officials may seek advice from competitors and team representatives to ensure an informed opinion is provided and can be acted upon where appropriate.

A debrief with Officials will be conducted by the Championship Referee at the end of each day. Competitor/Team Manager Briefings will be called when required by the Championship Referee. These briefings will be conducted by the Championship Referee and/or Deputy Referee.

SCRUTINEERING

Full technical scrutineering will be conducted for all clubs on **Wednesday 19th July ONLY**. All scrutineering to be done in accordance with IRB Equipment Requirements, Scrutineering and Compliance. Clubs are made aware that there will be ongoing random scrutineering and equipment reviews throughout the competition days and may be called again for full technical scrutineering at the end of each day of competition.

Note: It is the responsibility of each Club to ensure gear and equipment meets the manufacturers and/or SLSA specifications as set out in the current edition SLSA Bulletin Surf Sport IRB Competition - Gear and Equipment Regulations (or as amended).

Any Club found to be using equipment that does not meet manufacturers or SLSA Bulletin Surf Sport IRB Competition - Gear and Equipment Regulations, shall be referred to the Championship Referee for adjudication. Any equipment that does not meet these regulations will be excluded from the Championships and may face further disciplinary action.

If the failed equipment item / part is subsequently found to be used in Competition, the Club will be immediately disqualified from the Championships, where Coaches, Team Managers and athletes may face further disciplinary action. No competition points will accrue.

Please note: Copies of daily training logs may be requested at the Championships for auditing purposes, and it is a condition of entry that each Club Surf Coach provides these to SLSA if requested. If Clubs do not submit their training logs when requested, they will not be allowed to compete.

ENTRY LIMITATIONS

All Interstate IRB Championships events shall be contested by teams representing their State. States shall enter only one team in each event.

All Australian IRB Championships events shall be contested by teams representing Clubs. Clubs can enter as many eligible crews as they wish into the Open IRB Championships, Masters IRB Championships and U23 IRB Championships for 2023 providing each competitor complies with the entry limitations as detailed in the current edition of SLSA Surf Sports Manual (detailed under) and any other subsequent circulars or bulletins.

3.3.2.5 Entry Limitations

- (a) IRB competition may be conducted in different categories of age, grade and gender.

Note: The age divisions conducted at the Australian IRB Championships are Open, U23 and Masters. The Interstate Championships are conducted in the Open Division only.

- (b) A competitor may compete or nominate to compete in a maximum of twelve events plus the IRB Relay(s) at any one competition. However, in the event of adverse weather, surf conditions, water temperature, wind chill, and/or hyperthermia risk etc, the Competition Committee, at its absolute discretion, may reduce the maximum number of events in which each competitor may participate at the competition.

Note: Competitors are only allowed to compete across twelve events plus IRB Relay(s) across three Championships being U23's, Masters & Opens contested at the Australian IRB Championships. It is clarified that the Australian IRB Championships is one competition with events currently conducted in Open, U23 and O35 age divisions. This means that a competitor may compete or nominate to compete in a maximum of twelve events plus the IRB Relay(s) at Australian IRB Championships.

- (c) A driver and/or crew may compete in a particular event once e.g., a driver cannot compete in an event in one team as a driver and compete again in the same event as a driver or crewperson in a separate team.

Note: This does not preclude an eligible driver, crew or patient from the same team swapping roles in different rounds of the same event.

- (d) If eligible to compete in multiple grades or age categories, drivers and crewpersons may do so, but may only compete in a particular event once e.g., Open Male Rescue is a

different event to the Under 23 Male Rescue (refer to Competition Definitions in Section 2 for further detail).

- (e) IRB patients are to be considered as gender neutral with respect to their participation in male and female IRB events.
- (f) Patients may compete in any grade, age or gender category events but may only compete in a particular event once.
- (g) Attention is also drawn to other relevant sections of the Surf Sports Manual including *Section 2 – General Competitive Conditions* and any other relevant circulars or bulletins which must also be complied with.

Competition Priorities and Tiering of Events

Competition will commence on Thursday July 20, 2023

The Australian & Interstate IRB Championships 2023 will be conducted within strict and challenging timeframes.

These timeframes have received additional pressure due to the inclusion of the Under 23's category to the Championships and the (now) increased eligibility of competitors to compete in up to eight events across two Championships.

In order to meet these timeframes, in their sole discretion, the IRBCCC and the Championships Referees may need to adjust the order, draws and priority of events and priority of the Championships completion. The competition time schedule is any time (in required daylight) from 7:30am on Thursday 20 July – 4:30pm on Sunday 23 July. All teams need to be available to compete at these times. This also includes;

- Cuts in rounds in excess of the numbers as outlined in the Surf Sports Manual for either or both Masters and U23 Championship events.
- Cuts in rounds in excess of the numbers as outlined in the Surf Sports Manual for the Open Championships.
- The priority/tiering of Championships (from highest to least) is seen as:
 - Opens
 - Interstate
 - U23
 - Masters
- The priority/tiering of events (from highest to least) is seen as:
 - Surf Rescue
 - Mass Rescue
 - Teams Rescue
 - Tube Rescue
 - IRB Relay
- The priority for completion remains for the Australian Open IRB Championships and schedule and conduct of events may change and commence any time from 7:30am Thursday 20 July, i.e., Opens may commence on Thursday 20 July.
- In the event of adverse weather and/or other conditions or event time constraints impacting on the timely completion of the Championships, preference will be given to the Australian Open IRB Championships.

INTERNATIONAL COMPETITORS/TEAMS

Conditions of entry for international competitors:

1. SLSA reserves the right to invite and/or accept entries from international competitors and

- club teams to compete in any event at the Australian IRB Championships.
2. International club teams must be a genuine club team (not composite) and must compete in club colours to be eligible to compete.
 3. All international competitors and club teams must gain international clearance from their governing body and must be submitted to SLSA prior to competition to compete at the Australian IRB Championships 2023.

RESERVES

Reserve competitors may be entered into the carnival to avoid late entry fees when making substitutions at the event. All reserve competitors must meet the respective requirements for the position in which they have been nominated as a reserve.

SUBSTITUTIONS

Substitutions will be allowed as per the current edition of the Surf Sports Manual (if the competitor is entered into the Championships) and no charge will be taken to make these changes.

If a substitution occurs with a new competitor who is not entered into the competition - this will be considered a late entry and they will be charged accordingly (see Late Entry section in this circular). In this situation advice and competitor's details must be provided to the event administration by 4pm Wednesday 19 July 2023.

Any competitor substituted into an event must meet the correct requirements as set out by SLSA for the position for which they are substituted into.

In the case of a genuine injury the IRBCCC may consider an application for a substitution of an eligible driver or crew (but not both) who has already competed in a different age category of the same event into an older or younger age category of the event.
